# Silent Auction Terms and Conditions

1. The Silent Auction is a left-bid only auction conducted from time to time as advertised, and will usually run over a period of several weeks.
2. Bids may be placed by phone, fax, email or in person. All bidders must supply their names and addresses.
3. A buyer's premium of 12.5% will apply to all successful bids.
4. All lots are available for outright purchase at the advertised "Buy it now" price. There is no buyer's premium for lots purchased in this way. A lot that has been purchased outright will no longer be available for auction. If the current high bid on a lot approaches the "Buy it now" price, the lot's "Buy it now" option may be removed.
5. Each lot has a starting price. Bids lower than the starting price will not be accepted. Bidding will begin at the starting price and bids will increase according to the following bidding increments:

|       |   |       |             |
|-------|---|-------|-------------|
| \$1   | - | \$30  | <b>\$1</b>  |
| \$30  | - | \$100 | <b>\$5</b>  |
| \$100 | + |       | <b>\$10</b> |
6. The winning bid on a lot may be less than the amount of the left bid, depending on the values of bids placed by other bidders. The winning bid will not be higher than the bid placed by the winning bidder.
7. The current high bid for each lot will be displayed on the [antiquetoys.com.au](http://antiquetoys.com.au) website. This information will be updated daily.
8. All bids must be received by the Auctioneer by the advertised closing date and time.
9. After bidding has closed, the received bids will be reviewed by the Auctioneer, and the highest bid received on each lot will win that lot, except where a reserve has not been met (see below). The winners will be notified during the week following the close of the auction.
10. If identical bids are received on a lot, the first of those bids received by the Auctioneer will take precedence. If there is a dispute, the sale may be cancelled at the Auctioneer's discretion. The Auctioneer's decision will be final.
11. Some lots may have reserves that are higher than the starting prices. A lot will be passed in if it has a reserve and the reserve has not been met.
12. It is the bidder's responsibility to find out whether bids have been successful.
13. Lots are sold with all faults if any. Unless otherwise specified, items are sold untested with no warranty given to their mechanical or electrical operation.
14. Most lots can be viewed at our Annandale gallery during normal opening hours and at other times by appointment.
15. A list of lots with full descriptions and pictures will be available on our website [antiquetoys.com.au](http://antiquetoys.com.au). The list will include the current high bid for each lot.
16. No error in the description or quality shall void the sale or result in an adjustment of the price, unless theft or misadventure have occurred between viewing and sale.
17. The Auctioneer reserves the right to accept or refuse any bid.
18. All lots must be paid for within 48 hours after the winning bidders have been notified.
19. If a purchase remains unpaid for a period of 7 days after the winning bidder has been notified, a late payment fee shall be charged of \$10 for the first lot and \$5 for each additional lot.
20. If a purchase remains unpaid for a period of 30 days after the auction, the sale will be cancelled and the lots will be re-auctioned; the defaulting purchaser will be barred from bidding in future auctions.
21. Payment may be made by cash, credit card (MasterCard or Visa), EFTPOS, or direct deposit. Bank fees or limits may apply.
22. All lots purchased must be paid for prior to delivery.
23. Goods can be picked up from either of our shops by arrangement, or items will be sent (packaging and delivery costs will apply).
24. If goods have not been picked up by 12 months after the auction, the item(s) will be re-auctioned without reserve and the former buyer will not be entitled to any proceeds or accrued profit.
25. In the event of non-compliance with any of the above terms and conditions, the items bought will be re-sold at the risk of the former buyer, who will not be entitled to any proceeds or accrued profit (subject to the other conditions).
26. The hammer price, buyer's premium and shipping costs (if any) all include 10% GST where applicable.
27. In these conditions the word 'Auctioneer' means Trains, Planes & Automobiles.
28. **Our thoughts on packing & postage**

Since this is an auction transaction, not a retail sale, we operate on behalf of our vendors and unlike many retailers and internet sellers we do not make sufficient profit to subsidise packaging and postage costs. We do not import or buy auction items from wholesalers, so we do not have a supply of appropriate packing boxes and have to find them as required. We charge a minimal packaging fee which only partly covers the costs of materials and labour.

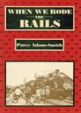

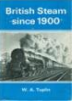

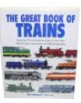

Since the calculation of postage costs can take some time, we may invoice for the goods first, then send a separate invoice for postage. We pack items carefully so that they arrive in good condition. Whenever possible, goods are sent by a service that can be tracked and requires a signature upon delivery.

Many auction houses do not even offer a shipping service and require the purchaser to either pick the items up or arrange for an organisation such as "Pack and Send" to package and ship the items for them, generally at a significant cost.

We also offer purchasers the option of picking their goods up from one of our two locations, at Annandale (Sydney) or Mount Victoria (Blue Mountains).
