Price of printed catalogue: **\$5.00**

TRAINS, PLANES & AUTOMOBILES

Terms and Conditions for Auction Bidders

1. A buyer's premium of 12.5% applies for successful bids placed with Trains, Planes and Automobiles; this includes absentee bids, telephone bids and floor bids. A buyer's premium of 15.5% applies to successful bids placed online during the auction.
2. Bidding increments:

\$0 to \$20	\$2
\$20 to \$50	\$5
\$50 to \$200	\$10
\$200 to \$500	\$20
\$500 to \$1000	\$50
\$1000 +	\$100
3. Bids may be placed by:
 - (a) attending the auction and registering as a bidder (applies only to floor auctions);
 - (b) submitting an absentee bid by phone, fax or email, through our website, or in person;
 - (c) registering as an internet bidder with a supported online bidding organisation; or
 - (d) telephone as a registered telephone bidder.
4. When absentee bids are placed, it is the absentee bidder's responsibility to find out whether bids have been successful.
5. All buyers must be registered before their bids will be accepted.
6. Lots may be viewed at our Annandale showroom prior to the auction during normal opening hours and at other times by appointment. For floor auctions, lots may also be viewed at the auction venue on the day of the auction, prior to and during the auction.
7. A catalogue of lots with descriptions and pictures will be available on our website antiquetoys.com.au. Printed catalogues will be available on request at \$5.00 each.
8. The starting price, which usually includes any reserve, will be shown in the catalogue. Items will normally sell for the starting price or above.
9. At the 'fall of the hammer', the highest bidder will be the buyer. If conflicting bids are received, they will be processed in the order in which they were placed, if this can be ascertained. If there is a dispute, genuine in the Auctioneer's opinion, the lot will be auctioned again or withdrawn at the Auctioneer's discretion. The Auctioneer's decision will be final.
10. Lots are sold with all faults if any. Unless otherwise specified, items are sold untested with no warranty given to their mechanical or electrical operation.
11. No error in the description or quality shall void the sale or result in an adjustment of the price, unless theft or misadventure have occurred between viewing and sale.
12. The Auctioneer reserves the right to accept or refuse any bid.
13. Unsold lots may be available for sale after the auction at the Auctioneer's discretion.
14. All lots must be paid for within 48 hours of the conclusion of the auction.
15. If a purchase remains unpaid for a period of 7 days after the auction, a late payment fee shall be charged of \$10 for the first lot and \$5 for each additional lot.
16. If a purchase remains unpaid for a period of 30 days after the auction, the sale will be cancelled and the lots will be re-auctioned; the defaulting purchaser will be barred from bidding in future auctions and our online auction houses will be notified of the default.
17. Payment may be made by cash, credit card (MasterCard or Visa), EFTPOS, or direct deposit. Bank fees or limits may apply.
18. All lots purchased must be paid for prior to delivery.
19. Goods can be picked up from one of our shops by arrangement, from the auction venue during the auction (applies only to floor auctions), or they can be sent (postage & handling charges will apply).
20. If a transaction has not been completed by 30 days after the auction, the item(s) will be re-auctioned without reserve.
21. If goods have not been picked up by 12 months after the auction, the item(s) will be re-auctioned without reserve and the former buyer will not be entitled to any proceeds or accrued profit.
22. In the event of non-compliance with any of the above terms and conditions, the items bought will be re-sold at the risk of the former buyer, who will not be entitled to any proceeds or accrued profit (subject to the other conditions).
23. The hammer price, buyer's premium and shipping costs (if any) all include 10% GST.
24. All prices displayed in the auction catalogue and quoted during the auction, and all bids submitted, are in Australian dollars (AUD).
25. In these conditions the word 'Auctioneer' means Trains, Planes & Automobiles.

Packing & postage

Since this is an auction transaction, not a retail sale, we operate on behalf of our vendors and unlike many retailers and internet sellers we do not make sufficient profit to subsidise packaging and postage costs. We do not import or buy auction items from wholesalers, so we do not have a supply of appropriate packing boxes and have to find them as required. We charge a minimal packaging fee which only partly covers the costs of materials and labour.

We pack items carefully so that they arrive in good condition. Whenever possible, goods are sent by a service that can be tracked and requires a signature upon delivery.

Many auction houses do not even offer a shipping service and require the purchaser to either pick the items up or arrange for an organisation such as "Pack and Send" to package and ship the items for them, generally at a significant cost.

We also offer purchasers the option of picking their goods up from one of our two locations, at Annandale (Sydney) or Blackheath (Blue Mountains).
